

**JHWRB-56**  
**Single Head Ratcheting Box**  
**Wrench, 1-3/4**

**PRODUCT DETAILS**

- Combines the quick ratcheting action with opening sizes large enough to handle most industrial applications
- Requires less effort than a conventional combination wrench
- All wrenches contain 12-point Torque Grip® wheels
- Ideal for long “bolt-through” applications
- Turn wrench over to change direction
