

## WG-2408-TH - WG-6412-TH Tools@Height Wedges

### PRODUCT DETAILS

- Wedge features a durable shackle with wave washers that allow the JHWWG2408TH shackle to be positioned out of the way while being struck
- Made from heat treated alloy steel; Stainless steel shackle is durable and will not corrode in harsh environments
- Useful for most separating and positioning tasks
- Shackle has position adjustment feature to keep the shackle out of the hammer path, even when used upside down.
- Designed to allow the shackle to swivel fully from one side to the other
- Shackle pin is locked in place to prevent it from “walking out” during use
